

***State of Washington  
Department of Transportation  
Notice to Consultants  
I-5 Boeing Access Road to Northgate EIS***

Washington State Department of Transportation (WSDOT) solicits Statements of Qualifications (SOQ) from consultants interested in providing long range planning and environmental documents with supporting design for the I-5 Boeing Access Road to Northgate Environmental Impact Statement (EIS.) The approximate dollar value of the consultant agreement will be \$5,000,000 to \$7,000,000. WSDOT will award one (1) agreement, which will be 2-3 years in duration.
